

School choice in

Nevada

School choice is the process of allowing every family to choose the K-12 educational options that best fit their children.

TRADITIONAL PUBLIC SCHOOLS

FREE

TO ATTEND

WIDELY AVAILABLE

Traditional public schools are available for families throughout the state. States that allow families access to their choice of traditional public schools offer what's called "open enrollment."

Nevada parents should check with their local school district if they wish to participate in open enrollment, since the state allows districts to set their own open enrollment policies.

CHARTER PUBLIC SCHOOLS

FREE

TO ATTEND

WIDELY AVAILABLE

Charter schools are public schools that are allowed the freedom to innovate while being held accountable for student achievement.

Public charter schools are available for families across Nevada. These schools can be opened after they are authorized by school districts, colleges or universities, or an independent, statewide approval board, colleges and universities.

MAGNET PUBLIC SCHOOLS

FREE

TO ATTEND

WIDELY AVAILABLE

Public magnet schools are permitted in all 50 states and focus on specific themes, such as math, science, technology, or the performing arts.

ONLINE PUBLIC SCHOOLS

WIDELY AVAILABLE

Online public schools are permanent, fully-online, and free educational options that teach students through digital classes.

Nevada offers several free, full-time online learning options, such as Nevada Connections Academy, Nevada Learning Academy, and Nevada Virtual Academy.

PRIVATE SCHOOLS

\$ FREE

FREE TO SOME

WIDELY AVAILABLE

Private schools are widely available, charge tuition, and may be faith-based or independent. Many private schools or nonprofit organizations offer scholarships.

Families below a certain income level may qualify for a state-run scholarship program. Additional funding may be available from other sources.

HOME EDUCATION

WIDELY AVAILABLE

All parents in Nevada have the freedom to homeschool their children. Parents must provide a one-time notification to the state (or school district) of their intent to homeschool. The state requires homeschooling parents to teach certain subjects, but does not require homeschoolers to take standardized tests.
